COLD WEATHER PASSES ON EAST

Relief Comes After Two Days of
Low Temperatures That Set Re-
cord For Past Five Years

12 BELOW SATURDAY NIGHT

Mercury Lacks One Degree of Reach-
ing Saturday Morning Mark—
Plumbers Overworked

The weatherman kept his word. The low temperatures that have been giving the people of Rush county the shivers for two days is passing east and south today.

Saturday morning's low mark of thirteen degrees below zero still stands as the lowest temperature of the present cold wave, and of the last five years in Rush county.

Saturday night tried to outdo it but failed by one degree. The lowest recorded between sundown Saturday night and sunrise Sunday morning was twelve degrees above zero, according to Elwood Kirkwood, county weather observer.

The mercury started to rise gradually Sunday, but was close to zero either slightly above or below, all day, and during the night registered as high as eleven degrees above zero. The temperature has been on the upgrade all day today. Moderation in the cold wave was apparent when stiff motors began to function again and frozen water pipes didn't resist blowtorches quite so persistently as they did all day Sunday.

Rushville plumbers have been working night and day since the cold snap came in, and have been unable to meet the demands made upon them. Young folks took advantage of the snow and ice for coasting and skating.

Upward Trend to Continue

Indianapolis, Ind., Jan. 7.—The upward trend in the temperature after the first real cold wave of the winter will continue tonight, according to the weather bureau forecast.

The forecast was for fair weather tonight and probably Tuesday with a minimum temperature tonight of not less than 20 degrees above zero.

The zero weather departed Sunday morning at 9:30 o'clock. At 9 a. m. the official temperature was 3 below and at 10 o'clock it was 1 above.

The temperature climbed gradually throughout the day.

More Than Score of Deaths

Chicago, Jan. 7.—Fair weather with warmer temperatures came to the middlewest today as the cold wave blew over to the east and south.

More than a score of deaths were recorded in the central states as a direct result of the frigid blasts over the week end. The deaths toll stood at 17 in Chicago alone.

Hundreds of fires—most of them caused by overheated stoves and furnaces—brought property damage estimated at \$2,000,000.

MRS. VERA S. BALES IS DEAD AT RALEIGH

Wife of J. P. Bales Expires Sunday
at Age of 76 Years Following Pro-
longed Illness

MARRIED FOR 48 YEARS

Mrs. Vera Samantha Bales, wife of J. P. Bales of Raleigh, died Sunday morning at four o'clock, at the age of 76 years, following a long illness of a complication of diseases.

Mr. and Mrs. Bales had been married for forty-eight years, and to the union five children were born, one son, Floyd, youngest child, dying at the age of five years.

Those who survive are C. B. Bales of Newcastle; Mrs. W. H. Johnson of Kalamazoo, Mich.; Mrs. A. S. Saxton of Falmouth, and Mrs. E. T. Miller of Raleigh. Mrs. Bales had been an active member of the Christian church for fifty years.

The funeral services will be conducted Wednesday afternoon at the Christian church in Raleigh, the funeral cortege leaving the late home at one o'clock. Burial will take place in the Raleigh cemetery.

KNOCKED DOWN BY AN AUTO

Will Ray of Milroy Injured in Acci-
dent in Indianapolis

Will Ray, son of Mrs. Lou Ray of Milroy, was injured Sunday morning in Indianapolis at Oriental and Washington Streets, when he was struck by an automobile driven by Kenneth Griffith of that city. Ray had alighted from a street car, and failed to see the approaching automobile, and was struck and knocked down.

The injured man was taken to the City hospital in Indianapolis where his injuries were dressed. He was not able today to be removed home, as he suffered injuries to his back and chest. The injuries are not believed to be of a serious nature. The driver of the automobile was arrested, and is being held pending the outcome of the Milroy man's injuries.

RULING IN THE BRANCH CASE

Judge Sparks Overrules Motion to
Quash Publication Defining Bound-
ary Lines

The injunction suit against the City of Rushville filed by Capitola G. Dill, to prevent the city from paving Morgan street, was heard this morning in the circuit court by Judge Sparks and continued until in the morning for further evidence.

Judge Sparks also today ruled on the motion to quash the publication defining the boundary lines relating to the Hodges Branch improvement, and in this case, the city won their first step in the procedure, when the court overruled the motion to quash.

The motion to quash the publication was filed by Mary E. Perry et al.

The attorneys for the remonstrators announced this morning that their next step to halt the proposed action to enclose the branch with a concrete sewer, would be to file a plea in abatement, and this is expected to be filed within a few days.

In the injunction suit heard this morning against the proposed paving of Morgan street, several witnesses were heard. The city, before finishing the evidence, desired further time, and the court will hear the rest of the case in the morning.

The council has voted to pave the street, and received bids on the construction work. The injunction suit was filed to prevent the paving, and to keep the city from entering into a contract.

The paving, however, was given to a Hamilton, O. firm, in a verbal form, and the subject to the decision of the court in the matter. The street, if paved, will be constructed of asphalt, and the contract price was \$35,700.

The case of the American Security Company against James Ayles, a replevin suit, has been dismissed in court.

PURDUE WILL ENTERTAIN

Executives of Public Utilities to be
Guest Jan. 15-16

Lafayette, Ind., Jan. 7.—Purdue university's College of Engineering plans to enroll some new students, in the persons of the executives of Indiana public utility companies, for a limited term on January 15 and 16.

The program for the annual meeting of the Indiana Public Utility association, it was announced today, includes a course of sprouts for the business men. Purdue professors will give a series of lectures on the latest scientific developments in several fields of utility endeavor.

The program arranged by the Purdue engineering faculty will supplement the regular program of the Public Utility association, which will include talks by President E. C. Elliott, of Purdue, and Dean A. A. Potter, of the Engineering college. Sessions will be held the afternoon and evening of Jan. 15 and the forenoon of Jan. 16.

Heavy Damage Results

AUTOMOBILE CATCHES FIRE

Over-Heated Furnace Sets Fire To
One Home And Flue Burning Out
Causes Call to Another

The cold weather of Saturday and Sunday kept the fire department busy over the week end when four alarms were answered, with little loss being reported at any of the fires.

The first run was made Saturday morning to the Clarence Gates home, 820 North Main, where a \$25 loss was incurred from damage started with a torch.

A Ford sedan caught fire when it back-fired Saturday afternoon about three o'clock in the business district, near the Farmers Trust company, and the machine was damaged about \$15. It belonged to a man by the name of Owens, living in South Pearl street. It required 25 gallons of chemical to put the blaze out.

The fireman answered a telephone call Sunday morning at ten o'clock to the residence of Warden Wyatt. Third and Perkins streets, where an over-heated furnace set fire to a rafter, and the loss was practically nothing.

The fourth call was answered Sunday night at 11:35 o'clock to box 42, Fifth and Harrison streets, to the residence of Link Giffin, on that corner. An over-heated furnace caused the flue to burn out, and the flames leaped high into the air. Firemen watched the sparks and flames until the danger passed, and no loss resulted. The call last night averaged a run a day for this year.

SUBSTITUTES AT WEBB

M. D. Patterson of Richland township is acting as substitute teacher at the Webb high school, in place of Miss Helen Frazee, who was injured last week in an automobile accident, according to B. D. Farthing county school superintendent.

Fort Wayne—Humiliated by detectives who falsely accused them with receiving stolen wearing apparel from an express shipment, the three daughters of Joseph Long have received checks for \$1,000 each as settlement from the American Railway Express company.

Watson Not Candidate

Washington, Jan. 7.—Senator Watson of Indiana was expected to announce today that he would not be a candidate for the Republican nomination for president. Watson was scheduled to see President Coolidge at 3 p. m. and his announcement was expected to follow.

BOY RIDING A SLED BEHIND CAR IS HURT

Emsley Gilson, 12, Son of Mrs. Anna
Gilson, Run Over By Automobile
But Not Seriously Injured

AUTO DRIVER NOT BLAMED

Emsley Gilson, age 12, son of Mrs. Anna Gilson, 221½ North Morgan Street, was painfully injured but not seriously, about 12:30 this afternoon, when he was run over by an automobile said to have been driven by Earle Poer of this county.

The accident happened at Fourth and Main streets. The boy was hitched on behind the machine with his sled, and the driver did not know he was riding in that manner, and when he backed the machine, the rear wheel passed over the boy's chest.

The lad was picked up, and taken to the Dr. Sexton hospital, where his injuries were attended to, and an examination revealed that there were no bones broken, and as the boy was not suffering from internal pains, it was believed that he was not badly hurt. His face was badly bruised, and his hands cut. He was later removed to his home, and was up and around this afternoon.

The police did not investigate the accident.

G. A. R. TO MEET LATER

The meeting of the G. A. R., which was scheduled for Saturday afternoon, was not held on account of the extreme cold weather and on account of the court house not being heated. A special meeting will probably be called, as election of officers was scheduled for the first meeting of this year.

TO ATTEND BOARD MEETING

Dr. J. B. Kinsinger of this city, a member of the Indiana Board of Medical Examiners and Registration, will be in Indianapolis Tuesday, attending an important meeting of the board, and during which time several applicants for medical licenses will be taken up.

CALLED OFF TO AVOID CONFLICT

Tuesday Night's Week of Prayer
Service to Make Way For Parent-
Teachers Meeting

STATE SCHOOL HEAD TO SPEAK

Benjamin J. Burris to Discuss "The
Modern School and Its Require-
ments" at Graham School

The Week of Prayer service scheduled for the First Baptist church Tuesday evening has been called off, so as not to conflict with the meeting of the Rushville Parent-Teachers association, which will be held Tuesday evening at 7:30 o'clock in the assembly room of the Graham high school building.

The decision was reached by the Rushville Ministerial association, under the auspices of which the Week of Prayer is conducted, on the theory that the parent-teachers association represented a laudable movement and should be supported by the churches. Announcements to this effect were made in all of the churches Sunday.

The meeting will be held in the assembly room of the high school building, instead of the Graham Annex auditorium, as previously planned, on account of the possibility that the auditorium could not be heated if the weather happened to be very cold. Furthermore, the high school basketball team practices in the gym, immediately below the auditorium, which would interfere with the meeting.

The following program for the meeting of the association, at which the principal address will be given by Benjamin J. Burris of Indianapolis, state superintendent of public instruction, was announced today. Remarks by the chairman, Judge Will M. Sparks.

Prayer, the Rev. H. W. Hargett. Vocal solo, Mrs. Bertha Green. Secretary's report, Earl Chamberlain New Business.

Address, "The Modern School and Its Requirements," Benjamin J. Burris.

Question Box: Announcement concerning the next meeting.

INSTITUTE SET FOR JAN. 19

Session Called Off Saturday Will be
Held in Two Weeks

The teacher's institute, which was postponed Saturday on account of the breakdown in the heating plant at the court house, has been scheduled again for January 19, according to B. D. Farthing, county school superintendent. The program and course of instruction that were to have been given Saturday, will be held at that time.

The county board of education, composed of the township trustees were holding a meeting this afternoon in the office of the school superintendent, and several matters of importance were to come before them.

MANILLA TELEPHONE OPERATOR SUCCUMBS

Charles Moore, Age 58, Dies Sudden-
ly Sunday Following Three Hours
Illness With Heart Disease

CRIPPLE SINCE 2 YEARS OLD

Charles Moore, telephone operator at Manilla for three years, expired suddenly Sunday morning at three o'clock, following a three hour sickness of heart trouble.

The deceased was 58 years, one month and 27 days old, and had been a cripple since he was two years old, having been a victim of the spotted fever at that time. He was married March 20, 1892 to Miss Ella Snider, and to this union, three children were born, Mrs. Mable Loscy of Shelby county; Leonidas O. Moore at home, and Russell Moore deceased. Other survivors include five grandchildren, two brothers Joseph V. Moore of Carthage and Forest Moore of Shelby county; two half-brothers, R. T. Moore of Carthage and Chancy Moore of Shelby county; one half-sister, Mrs. Grace Henderson of Shelby county. Mr. Moore had been a member of the Little Blue River Christian church for many years.

Short funeral services will be conducted at the late residence in Manilla Tuesday morning at 9:15 o'clock and funeral services will be held at the Little Blue River church at 10:30 o'clock by the Rev. J. L. Brown. Burial will take place at the Blue River Chapel cemetery.

CHANGE IN PLAN FOR ATTENDANCE OFFICERS

Examinations Will Be Held Last
Saturdays in January And March.
Farthing Notified

HAS NO EFFECT LOCALLY

Miss Blanche Merry, state attendance officer, has forwarded notice to county school heads throughout the state, calling attention to a change in the plan for attendance officers. The notice reads as follows:

After December 1, 1923, examinations for attendance officers' licenses will be held in the forenoon of the last Saturdays of January and March, by the county superintendents at their respective offices, or question prepared by the Division of Teachers' Licenses. All examination papers will be sealed and forwarded to the division of Teachers' Licenses.

The change, however, will not effect this county as Miss Dorothy Sparks, who is holding the position on an exempted certificate, is not required to take the examination but if any change is made in the office, it will require the test as provided in the ruling.

BUS KILLS A HOG

A White Top motor bus ran into a drove of hogs near Arlington this morning and killed one of them and injured another one so that it could not be sent to market. The hogs were from the Gowdy farms and were being driven by George Gering a tenant, to Arlington to be shipped to Indianapolis.

NEW YEAR OFFERS SERMON THEMES

The Rev. Gibson Wilson of The First
Presbyterian Church Speaks on
"1924 Investments"

SERMON BY H. W. HARGETT

No Preaching Services at Main
Street Christian Church Due to
Illness of The Pastor

The new year offered a theme for Rushville ministers Sunday, the Rev. Gibson Wilson of the First Presbyterian church preaching on "1924 Investments" and the Rev. H. W. Hargett of St. Paul's Methodist Episcopal church on "The Conquerors of Time." The Rev. E. G. McKibben of the First United Presbyterian church spoke on "The Devil's Diplomacy."

No preaching services were held at the Main Street Christian church Sunday morning on account of the illness of the pastor, the Rev. L. E. Brown, and for the same reason the special sermon by the Rev. Mr. Brown, scheduled for the Princess theatre Sunday evening, was called off. At that time Mr. Brown had planned to pass a questionnaire among the people in the audience to get an expression of their opinion regarding the church and ministers.

"1924 INVESTMENTS"

"1924 Investments" was the subject of the sermon at the First Presbyterian church Sunday morning. This study was based on Luke 12:15, "Unto whom much is given, much shall be required." The Rev. Gibson Wilson, the pastor, spoke in part as follows:

Service is a large part of religion. Christianity that does not function in helpfulness to others is barren and unfruitful. The religious term for that service is stewardship. It is broader and more comprehensive than the term title.

We are asking ourselves this morning, What ought a saved man to do? Jesus gave us the example. He went about doing good. He said: "Herein is my Father glorified that we bear much fruit."

A saved man must be a good steward of his abilities. If he has a discerning judgment he must use it in serving God to secure justice. If he is eloquent at Aaron he must be God's spokesman. If he is an organizer as Moses, he must use his ability to extend the kingdom.

A saved man must use his stewardship in the church. No one must lightly refuse to perform the duties which the church after prayer an inquiry has chosen him. Your obligation is to God. You should know the best methods of church finance. You are a part of a great organization. Every one should be a stockholder in this business of extending Christ's kingdom to all parts of the earth. Every member should bring to the Lord's treasury every Sabbath, that portion which is his.

Jesus makes an attack on selfishness, in this text. That which we receive in money, in ability, in character, in lands is given that we might be more helpful to others. When self becomes monopolistic, it becomes poisonous to itself. The tree in the forest that seeks more than its share of the soil and sun becomes injurious to the other trees. Your rights end where your brothers begin.

The Dead Sea cries continually to the brooks and rivers and snow clad mountains, give, give, give. But the Dead Sea has no outlet. Receiving much, it gives little and becomes offensive and putrid to eye and nostril alike.

So today the person who treasures up and gives not becomes offensive. The quality of selfishness produces chaos in self, state and church.

The spirit of stewardship is fair dealing with God. In the Old Economy, God required one seventh of a man's time and one tenth of his income. His claim was based on the fact that he was Creator and Redeemer. Is God unjust in his demands. He has given us everything about us, lands, air, sunshine, life etc., and without any investment on our part he takes us into partnership in the business.

Some one says I can not invest anything in the kingdom enterprise this year for God because I am build-

ing. Suppose you were to say to your grocer, "I can not pay my bills this year because I am building. The idea is absurd.

Faithful stewardship means genuine and enthusiastic allegiance to the greatest of all causes. You are to render a faithful stewardship to God of all your time, talents, money and strength.

Be God's man for 1924. "Lay not up treasures here on earth but in Heaven. Be rich toward God. Make 1924 your biggest and best year in kingdom service." "Unto whom much is given, much shall be required." The sacrament of the Lord's Supper followed the sermon.

Consuet of Time

"The Conquerors of Time", was the subject of the sermon of the Rev. H. W. Hargett, which was delivered at the St. Paul's M. E. church Sunday morning. The text was "So teach us to number our days that we may apply our hearts and wisdom," Psalm 90:12. His sermon, in part, follows:

Scene, a college class room. Time, The first recitation in the New Year. Persons, a wise professor and students, wise and otherwise. The professor speaks: "With pleasure I welcome you again to your tasks. Many have been wishing you a Happy New Year. I wish you a happy eternity." That man had learned the secret of the conquest of time. He knew that time is but a measured portion of that eternity in which we live now and shall live forever. The wisdom of which our text speaks will lead us to live for the things that time cannot mar nor death make valueless.

What is time? Einstein tells us there is no such thing as time. Grasp

BE RID OF THAT ACHE

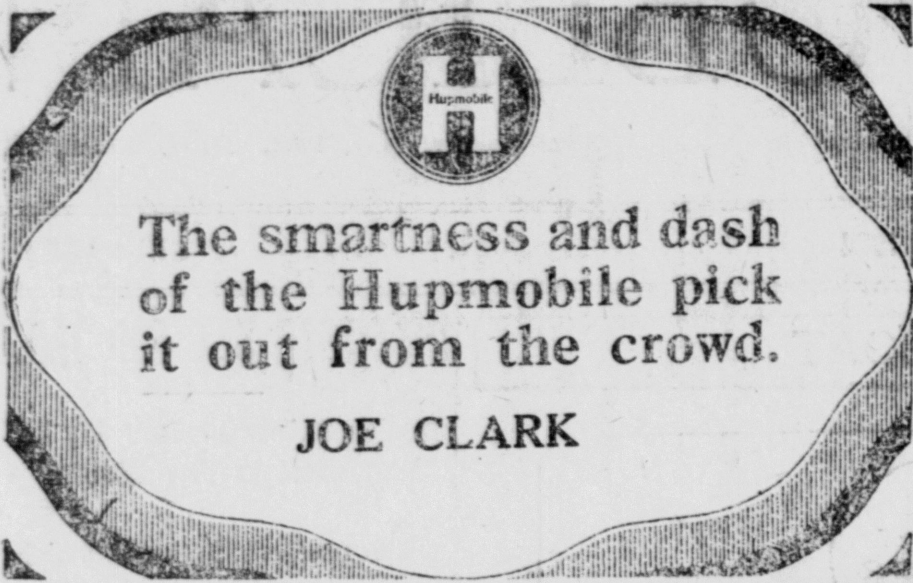

If you are a sufferer with lame back, backache, dizziness, nervousness, and kidney disorders, why don't you try the remedy that your own neighbors recommend? Ask your neighbor?

Mrs. Joseph Doll, 521 W. 3rd St., Rushville, says: "I have used Doan's Pills off and on when I was troubled with kidney complaint and have found them a reliable remedy. At times my back was weak and lame and I had to remain in bed. It ached intensely through the small part and my kidneys were irregular in action. I used Doan's Pills and they have never failed to relieve me."

Mrs. Doll gave the above statement August 26, 1915 and on November 1, 1920, she added: "I still have the same high opinion of Doan's Pills. I use them occasionally as a kidney tonic always with satisfactory results."

YOU KNOW WHAT YOU WANT TO EAT, BUT—Do you know where to buy it to the best advantage? Selecting the best place to buy is often a difficult problem. There are so many different grades of food stuffs that it is not always safe to buy by price alone, a cheap article is most always poor quality, but many times we find that article for which a good price was paid is not up to the standard expected. It is the policy of our store to sell only foodstuffs of known value and purity.

WE INVITE YOUR PATRONAGE

We feel that we are doing our customers a favor when we call their attention to LOYALTY Flour, the best every purpose flour regardless of price that we have ever sold. Try a bag and if not satisfactory we are instructed by the millers to return your money, even if the bag is half used.

We also have a lower grade of Kansas flour milled by makers of LOYALTY that is of the same quality as many other brands of Kansas flour sold in Rushville. Libby's Fancy Chinook Salmon at 30c for a full pound can is a bargain that should not be overlooked by folks who know what good salmon is.

In Which Class Are Yours?

Whether your hens lay 50 eggs or 200 eggs per year, Purina Chows will make them lay more. The perfect balance of ingredients in Purina Chows makes the difference. And the extra eggs not only pay the difference in the feed cost but also give you a fine extra profit.

More Eggs or Money Back

Purina Hen Chow and Chicken Chowder will be delivered to you on the following basis:

If hens fail to lay more eggs when fed these Chows as directed, than when fed any other ration, the money paid for both the Chows will be refunded.

Make every day count for your poultry profits. Get more eggs when egg prices are up.

NEW YEAR OFFERS SERMON THEMES

(Continued From Page Two)

at a moment, open your hand, you have nothing. It is invisible, inaudible, intangible, inexpressible, yet the most intense of realities. With all your acids and alkalies you cannot analyze a moment of time. With scales that record the fraction of a hair or the weight of a sunbeam, you cannot test time. With instrument that analyze light and tell the substances blazing in far off stars, you are helpless before time. It is simply a measured section of eternity given us for moral and spiritual purposes.

We conquer time past by bringing its experiences vividly before us and comparing them with the present. Have the years been as thieves stealing from us the ideals of youth, or have they witnessed our growth in the deathless things of character. We conquer time present by method, by wise selection of things worth while and by concentration upon things that are pleasing to God.

We conquer time future by hope. "He that hath this hope in Him purifyeth himself even as he is pure." If eternal life is a reality to us, we shall put the quality of that life into all the tasks of daily life and thus become conquerors of time.

"Forenoon, and afternoon, and night!"

—forenoon.

And afternoon, and night!—Forenoon, and—what?

The empty song repeats itself. No more?

Yea, for that is life, make this forenoon sublime.

This afternoon, a psalm, this night a prayer.

And Time is conquered and the crown is won."

used to head off candidates for pres-
ident who are leading the field, will
be used in the forthcoming campaign
according to present indications.Some times it works for good and
sometimes for harm, according to the
viewpoint of the partisan who may
favor the candidate who is out in
front.It begins to look like opponents
of William G. McAdoo, former secre-
tary of the treasury and director-
general of the railroads during the
war, are conspiring to check the ear-
ly advances he is making towards the
nomination. No less than nine
different men are being mentioned as
favorite-son candidates who could
control enough votes, which, together
with the votes Senator Underwood
rightfully claims, would be enough to
prevent McAdoo from obtaining the
necessary two-thirds to win the nomi-
nation.There is some talk of favorite sons
within the republican ranks, to head
off Senator Johnson of California,
who is preparing to make an aggres-
sive campaign in all primary states.Senator Watson of Indiana and
Former Governor Lowden of Illinois
are regarded as probable candidates,
but they have withheld announce-
ment of their plans for the present.President Coolidge seems to have
the inside track for the Republican
nomination and McAdoo is leading in

republicans, the favorite-son move-
ment seems to be not so much direct-
ed at the leader, as at one who may
interfere with the plans of the lead-

it will be watched with interest to see
whether favorite sons are as much
favorites as they once were.Still, a favorite son won the Re-
publican nomination in 1920 and
there is always a possibility that one
may do it in either party.**Hays' "Shooting Stars"**Someone remarked, after reading
that Will Hays had "jumped" out to
Hollywood following the shooting of
Courtland P. Dines, which involved
Mabel Normand and Edna Purviance
that the movie director had to look
after his "shooting stars."This is a new brand. And it may be
an unjust appellation. The evidence
does not show that either of the wo-
men movie actors used a pistol. There
is only a suggestion of something not
in keeping with the proprieties.Hysterical and prudish people all
over the land are demanding that pic-
tures showing Miss Normand and
Miss Purviance be placed under a
ban immediately.To take such a position is rather
harsh treatment of the girls. We can't
expect too much of our best known
stars. We have to make a little al-
lowance for environment and sudden
affluence, which may undermine any
girl's sense of proportions.On the other hand, movie actors
and actresses must learn that the
standards set for them are high and
that their conduct when they are not
in front of the camera must be exem-
plary.They should have learned a lesson
from Roscoe Arbuckle's experience.
Although never convicted in any
court, Arbuckle found that public
opinion was stronger than any court
of justice and that when it made
up its mind, there was no changing it.**The Hodge-Podge**

AMUSEMENTS**Lytell Most Popular**Bert Lytell, star of "The Meanest
Man in the World," which opens at
the Princess Theatre today was for
years one of the most popular lead-
ing men in the footlight profession.
Lytell has appeared on the stage in
practically every large city of the
United States and it was only the
insistent demands from the movie
producers and their assurance that he
would be able to entertain countless
thousands via the silent drama, that
he listed to its lure. During the past
few years, Lytell has enacted leading
roles in many of our biggest pro-
ductions. His work in "The Meanest
Man in the World," a First National
picture, is said to be one of his finest
portrayals. He is surrounded by an

Outplays And Outclasses Vaunted Opponents With Brand of Basketball That Would Win Any Game

COLUMBUS NOT WORN DOWN

Rushville Leads Off at Just a Clip That Bull Dogs Were Dazed—Were Ahead Only Once

Playing a brand of ball that would win any ball game, the Rushville high school team again showed that it will be a real contender, when they outplayed and outclassed the Columbus high school team here Saturday night defeating them by a ten point margin 33 to 23.

Only once in the entire game did Columbus show a real flash, and that was soon after the start of the second half, when they tied the score, and assumed a 4 point lead for a few minutes, but the Lions kept up their fight, and again went in front, not to be headed.

Although Columbus had played Shelbyville the night before in a hard game, and lost by one point, they did not appear to be any the worse for the fight, but were unable to make their line plunges as expected, and when Rushville piled up an 8 point lead in the start, it set the pace for speed that never before was equalled on the local floor.

The Rushville players emerged from the game with Knightstown on the night before in good shape, although it was no easy snap to take that game, as the Knightstown team had put up an unexpected hard game. The double victory of the week end, showed that Rushville has a great deal of endurance, for two hard scraps in a row.

To point out any individual star on the local team would be impossible. All seven players that participated, played like they should, and aside from missing 10 foul shots, there would be little room for improvement.

On the other hand, Columbus played a whirlwind game with Hall, center, and Harrington, floor guard, working together like clock-work, until they would attempt to toss the ball around their goal to Carter or Mobley, forwards, and then they found that the Lions had greatly improved on the defensive element, since the first game between these teams early in November.

The Bull Dogs started a rally in the first half toward the end, but it fell short, and the locals were leading 13 to 9, at the half way mark.

On the very first toss-up of the ball it was clearly seen that the game would be a fast one, and although the Lions had three shots at the basket first, none went in. Hall for Columbus dropped one in from the side, but the player was out of bounds and the goal didn't count. Each team fought hard for several minutes in an effort to score, and soon Walker and Hill tangled in a double foul, and each player tossed in a goal.

Snoddy dribbled down the side line and shot in a field goal for the Lions, and when he attempted to repeat, Goods blocked him, and the Rushville player counted on both of his chances, making the score 5 to 1. Snoddy fouled next, but Harrington missed the chance for the Bull Dogs.

The locals were working the ball around their territory with apparent ease, but were missing many shots. Walker grabbed the ball from under the basket for another ringer, making the count 7 to 1. Columbus called time. McNamara, who was

having tough luck connection with the hoop, finally located it for another basket, making the score 9 to 1. Snoddy fouled, and Wilson for Columbus made good the count.

Snoddy, however, repeated with a basket, that made the score 11 to 2. Columbus fought hard and a basket by Hall gave them two more points. The Lions called time. Hall repeated with another basket, that made the score 11 to 6.

Snoddy was given two more chances to score when Mobley fouled him, but missed both chances. Comella, who had been coming close to the basket for 8 to 10 chances, finally dropped in one from the center, with the ball never touching the rim, and giving Rushville 13 and the Bull Dogs 6.

McNamara fouled and Harrington added a point on the free throw. Walker was getting ready to loop in an easy shot under the basket when Wilson held him, but Walker missed the two chances on fouls. Hall counted from the center for a goal for Columbus, making the score 13 to 9 and soon afterwards the shot ended the first half.

Rushville had missed 5 chances on fouls in this half, and Snoddy had put a goal in that the officials declared did not count, and 7 points were really earned, but not counted. The two teams entered the contest with just as much fight as in the first half, and it was up to Snoddy to score again on a field goal, making the score 15 to 9, with the Lions leading.

Carter missed on McNamara's error. Columbus started in a fast attack, and worked through the local's defense with Hall and Harrington scoring goals, and bringing the visitors up to within two points, 15 to 13. Rushville called time, but when play resumed, the Bull Dogs tied the score with a basket by Carter.

With the score knotted at 15 points, Columbus then for the first time in the evening, assumed the pace-making job, and a goal by Mobley gave the visitors the best of the game, 17 to 15. Carter scored again, giving Columbus four points the best of the argument, 19 to 15.

Newbold replaced Snoddy at forward for Rushville. McNamara scored from the field for Rushville, making the count 19 to 17. Mobley fouled Newbold, and Rushville added another point on the foul, 19 to 18.

Comella fouled, but Harrington missed the chance for the Bull Dogs. Hall soon scored again from the field for Columbus, putting them in front with 21, and with Rushville behind with 18. Newbold looped one in from under the basket for the locals, and Comella came down the center for a shot, and the ball rolled in, putting Rushville in front, 22 to 21.

Warth went in for McNamara at floor guard. This change in the game added renewed speed for the locals, and with Newbold and Warth, as fresh players, Hilligoss, Comella and Walker began a fast offense and the Lions had possession of the ball the greater part of the time.

Comella missed a chance on a foul, but Walker soon bounced it in from near the basket for two points, making the score 24 to 21. Mobley fouled Newbold again. The first chance went wild, but Newbold made the next one count, making the score 25 to 21. Hilligoss scored from the field, and Mobley for Columbus took a long shot that went in, making the score 27 to 23.

Four minutes was left to play. Mobley missed a couple of chances on a foul. Walker made good two chances next on Hall's foul, putting the score 29 to 23. Warth ushered the scoring into the thirties, when he got a shot from near the foul line, making the score 31 to 23. Wilson missed a chance when Hilligoss fouled. In the closing minute, Newbold dropped in a goal from under the basket, making the final count a ten point margin, 33 to 23.

THE SHELBYVILLE ELKS

Athletic Club Netmen Are Preparing For Hard Contest Scheduled For Tuesday Night

2 GAMES FOR CURTAIN RAISER

The Fairview Athletic club is getting ready for a big contest Tuesday night at Fairview, when they tackle the Shelbyville Elks. The visiting team has defeated every team in this section this year, and the Rush county aggregation will put up a strong attempt to win from them.

Three years ago, when the independent district tourney was held in Rushville, the Elks and Fairview met, and the Shelbyville team won out, 23 to 18. This year the Elks have not been defeated. On the other hand, Fairview has been going good, playing 13, and losing 3. They have scored 601 points to their opponents 370.

Two preliminary games are on the schedule tomorrow night, with the Fairview girls playing the Homer girls, and the Fairview Juniors will play the Bentonville Independents.

Thursday night Fairview will go over and play the Arlington team. Two former Fairview players, Royalty and Seales, have again joined them. The line-up will include Essev, (capt), Peters, Seales, Royalty, Darnell, Reynolds, Cook, Parker, Patton and Kendall.

CARTHAGE RIPS INTO
KNIGHTSTOWN, WINS

High School Five Defeats Nightingales Saturday Night in Close Contest at Carthage

Carthage high school defeated Knightstown for a 7 point victory Saturday night at Carthage, by the score of 36 to 29, in a contest that was featured by close playing on each side, until the last few minutes, when Carthage forged in front.

Knightstown, who had played a hard game here Friday night, did not seem any the worse for the scrap. The first half was rather slow on each side, and the visiting team was ahead 16 to 15 at the half. The last half was fast. Hahn, backguard for Carthage, tossed in a goal from back right center, and this goal added to the speed of the Carthage team, and they managed to plow through in the last few minutes, and started the rally.

Carthage and Milroy, keen rivals, will meet this week at Carthage, and the game was originally scheduled for Wednesday, but will be played Friday night. At that time, Carthage will meet stiff opposition, as Milroy has a stronger line-up now.

ee Bills, Umpire Best.

NEW SALEM GIRLS WIN

The New Salem girls won a three point victory from the Rushville girls in the curtain raiser played Saturday night, when the score ended 27 to 24. New Salem came back in the second half determined to win, after they were behind 16 to 11. It was the first game played under new rules, with six players on a side.

Moore and Elder were the main point getters for Rushville, while Trager and Emsweller figured best in the scoring for New Salem. The score by quarters.

New Salem 5-6-14-12-27

Do You Feel Tired
After Eating?

A tired, nervous feeling may be a sign of poison in your system which prevent proper digestion. Food turns into more poison and gas, making you nervous and weak. Simple buckthorn bark, glycerine, etc., as mixed in Adlerika, expels poisons and gas from BOTH upper and lower bowel. Removes old matter you never thought was in your system which poisoned stomach and made you tired and nervous. Adlerika is EXCELLENT to guard against appendicitis. Bull Dog meat is fine eatin'.

Hittin' 'em couldn't have played a better game himself, if he had been one of those Lions.

No game is impossible, if the Lions go into it with the idea to fight all of the way—that was shown Saturday night. Let's repeat it all season, what do you say gang?

RUSSELL WALKER

Sure played a whirlwind game. The kind that puts snap into the team.

The Lionesses showed a weakness in the last half of their game with New Salem, and those two tossers, Trager and Emsweller just couldn't miss 'em.

FRANK COMELLA

Sure set 'em back, and he played one of his best games. Better and better every game, ole top.

Elwood and Marion both trounced the Trojans of Newcastle in week-end games. Even with defeats, Newcastle still fights.

ARTHUR SNODDY

He always makes 'em take notice. His speed is 60 miles per hour on every floor.

If ten below zero makes the Lions fight any better—then we are for zero weather until March 14 and 15.

FOSTER HILLIGOSS

He is sure a go-getter. He always plays a good game, and fast as lightning.

The way Muncie tripped Richmond was something like the way the Rushville second team defeated the Richmond second team here Friday night.

EARL McNAMARA

McNamara fights all the time. Very few mix-ups but what he is seen taking a part. That's just another trait of a Lion.

Where ever Broad Ripple is, they must have a good team, or at least Connersville thinks so. The "baby team", or the latest addition of Indianapolis, sent the Ikmiks home Friday night losers by two points 29-27.

ROBERT NEWBOLD

This boy is a goal snatcher. Not only that, but he plays a fast game, and is dependable at all times.

Glass banking boards are great stuff. No hoo-doo about them. That's two in a row with 'em.

HENRY WARTH

He is sure a pinch hitter. While not usually a starter, he generally finishes the game, and finishes it fast.

The Hot Doggies of Frankfort are starting on one of those long records without a loss. An even dozen so far, and Coach Case sees a few more in sight.

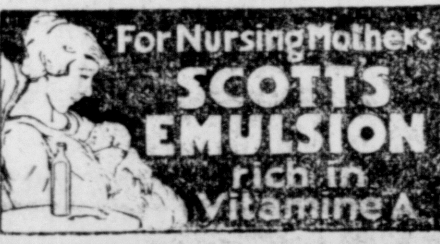

COACH JOHN SWAIN

The coach played probably the hardest game of anyone. A successful team owes much to the coach. This debt is paid in victories.

SIMPLE LITTLE TRICK, WE'D SAY

Ernest A. Blood, famous coach of that Passiac, N. J., team tells how a real team is developed. Three important points are first to get the ball, second to keep it, and third is to put it in the basket.

Referee Bills and Umpire Best played a good game. They were all over the floor, and kept busy from start to finish.

HITTIN' 'EM
AND
MISSIN' 'EM

And Hittin' 'em played basketball all night.

The Ikmiks were over Saturday night, getting a few pointers, and to see how easy it will be to digest the Graham Crackers???

The Lions have tasted of the wooden horse at Newcastle, and of canine meat, and they are wondering now, just what kind of a taste an Ikmik will have.

HUMAN WRECKAGE?

Connersville dopesters predicted a ten point win over Broad Ripple last Friday night. Dope is easily upset, and sometimes extremely injurious, especially if taken too often.

Anderson plays at Connersville Saturday night—not last Saturday, as gleaned through some of our exchanges.

Before The Battle, Mother

Hardwood Hamper of the Columbus Republican in Friday's issue, commented as follows:

Hittin' 'Em, our friendly enemy in Rushville, is certainly wishing us well. Throughout his column yesterday, instead of the heavy rule which usually separates parts of his dope, he runs the continuous battle cry, "Beat Columbus". By the time one gets through reading his column, with exactly nineteen of those subtle jokes in it, one begins to get a bit dizzy and wonder whether, after all, it will be safe to journey over there tomorrow night.

Hittin' 'em really intended to put 33 of those lines in the paper, designating the score, but he wanted to keep the final score a secret until after the game.

Hall, Columbus center, had his basket eye, and caged 5 goals, and a foul, making almost half of his teammates points. Columbus is a fast aggregation, and is just the kind of a team to meet, if you want to see a lively scrap. We know how Shelbyville felt Friday night.

Columbus and Rushville have been active rivals in basketball for several years. Two years ago, Columbus beat Rushville here, and then Rushville beat them on their own floor, met them at the regional and defeated them again. Last year Columbus won both games. This year they split even.

Liberty comes next. Let's knock 'em cold.

Lions are still king of beasts!

English Boxing Falls Short

By HENRY L. FARRELL
(United Press Sports Editor)

New York, Jan. 7.—New York, yelping about bad decisions, poor fights, uneven matches, faulty rules and various other ills of the boxing business, hears it frequently suggested:

"Why not do as the English do?" Because no yelps are heard on the radio from the other side, it is erroneously believed that in England, where the sport is pictured as being perfectly supervised and conducted boxing is as well-behaved and well-acting old man.

From the following letter, appearing in a recent issue of "Sporting Life" (London) it may be gathered that while the difficulties there may be minor, they are taken very seriously:

"The Editor:
"Sir: I quite agree that the referee's proper place is outside the ropes, but obviously there is great temptation to get inside.

"The M. C.'s request that there should be 'silence during the rounds' has become a dead letter in all the bigger halls, such as Olympia, Albert and Holland Park. Even that great referee Jack Angle is neither a megaphone nor a fog-horn, and I fail to see how he could make himself heard in the ring when the bulk of the spectators lose their heads and yell in mad excitement.

"Should a conscientious referee retire to act if the onlookers refused

BULL DOGS NO MATCH
FOR PRANCING LIONS

to behave themselves another would be found to take his place.

"It must be recollected that a large percentage of pugs are ornamented with cauliflower ears and have impaired hearing, so, unless silence reigns at the order 'Stop,' one combatant might drop his hands whilst the other carried on, with disastrous results to his opponent.

"A claim for a foul is, at times, a problem somewhat difficult to solve.

"As an illustration—a man stopped boxing and claimed a foul—A, as referee, was watching every move with the keenest scrutiny, and will credit the judges with being equally on the qui vive. None of us saw a foul, so, of course, the claim was not allowed, and the other man was proclaimed winner.

"Shortly afterwards this winner, in the most sportsmanlike and honorable manner, volunteered the statement: 'I am sorry to say that I did accidentally foul him with my knee'.

"It might not have been a very serious blow and left no mark, but enough to put a man temporarily out of action.

"Believe my decision to have been erratic, I saved my conscience by making the loser a present, with which he was completely satisfied. Luckily it was only a minor event, and a challenge to a return match may have been issued.

"Claude Champion de Crespigny."
American referees probably would not care to see the custom introduced in this country of giving prizes as "salve" to defeat boxers.

guests enjoyed the remainder of the hours with music.

Members of Miss Donnan's Class in Literature are looking forward with pleasure to their next meeting, Saturday January 12. Some of

the good things to be on the program are "The Rover" by Joseph Conrad; "Hassan" by James Alroy Flecker; and some essays by William Hazlitt. Miss Donnan has been spending the holidays in New York City.

A pretty card party was given by Miss Laurette Abercrombie Saturday afternoon at her home in North Perkins street, honoring her house guests Miss Agnes McNutt, of Crawfordsville, and Miss Martha McFadden of Shelbyville. Five tables of bridge were in session during the afternoon, and as the closing feature of the enjoyable afternoon a delicious luncheon was served.

The members of the Always Present Class of the Main Street Christian church will meet at the home of Mrs. Frances Howell, corner of Second and Julian streets, at 5:30 o'clock Tuesday evening. Those that can are requested to bring machines, but all are urged to come, as the members will be entertained at the home of Mrs. Louise Sample, living north of the city. At this time the losing side in the contest will entertain the winner.

NEW YEAR OFFERS SERMON THEMES

(Continued From Page Three)
"The Devil's Diplomacy"
The topic for the morning sermon at the First United Presbyterian church Sunday morning was "The Devil's Diplomacy." The text was found in Isaiah 36:16; "Make peace with me and come out to me, and I will take you away to a land like your own." These are the words of Rabshakeh to the Jews on the wall of Jerusalem during an impending siege by the Assyrian king, Sennacherib. His address was so liabical, so cruel, so deception, that he may be regarded as the spokesman of his Satanic majesty.
Three thoughts were stressed. The

Devil's plea; the Devil's promises and the Devil's provision. The pastor said in part: Satan seeks to discredit those who represent God as His ministers. He would have men believe that they are deceivers, men with selfish motives, men who trim their messages to suit the times and occasions rather than to correctly represent God. They are in the ministry for the money and everyone has his price. Satan seeks to discredit God, calling in question interest in humanity and reliability of His promises, also the seriousness of His threatenings. He calls for an armistice and that men make peace with Him and come under His power.

Satan, like all deceivers, makes many promises and offers great inducements. He appeals to every appetite and passion and weakness of the human soul. He offers real ownership, true independence, full enjoyment and holds out glorious prospects. With consummate cunning, he

displays the rose, but conceals the thorn; he offers the sweetness, and the beauty and the charm, but conceals the bitterness, and the deformity and the sting of Sin.

Satan offers much, but has nothing to give worth while. He owns nothing, controls nothing, except God's permission. He cannot give peace for he has none; nor order, for his abode is the place of disorder and discord; nor happiness; nor contentment. Those that serve Him but have the least of these blessings. His only pleasure, if indeed it can be called pleasure, is in deception. Men and nations have been led astray by Him. Russia seeks to banish God from her borders and is perishing in hunger and cold and nakedness. France is atheistic and is on her way to national ruin, as was Germany a decade ago. England is drunken and seems to have forgotten God. But some things Satan shares with his followers. He assigns to each his portion of shame, and

defeat, and remorse and the wrath of an offended God, and also the blackness of despair.

Satan is not a personal worker. Evil men and angels do his bidding. They are everywhere he can use them to tempt and deceive and destroy.

Our part is resistance to his blandishment. God has provided complete armor for defense and we have in our hand "The sword of the Spirit,

which is the word of God." And the promise is "Resist the devil and he will flee from you."

In the evening a gospel sermon was preached from Luke 13:23, "Are There Few What are Saved?"

Second the Motion.

All that a bird utters is music; and all that a man utters ought to be sense.

COLD WEATHER PASSES ON EAST

Relief Comes After Two Days of
Low Temperatures That Set Re-
cord For Past Five Years

12 BELOW SATURDAY NIGHT

Mercury Lacks One Degree of Reach-
ing Saturday Morning Mark—
Plumbers Overworked

The weatherman kept his word. The low temperatures that have been giving the people of Rush county the shivers for two days is passing east and south today.

Saturday morning's low mark of thirteen degrees below zero still stands as the lowest temperature of the present cold wave, and of the last five years in Rush county.

Saturday night tried to outdo it but failed by one degree. The lowest recorded between sundown Saturday night and sunrise Sunday morning was twelve degrees above zero, according to Elwood Kirkwood, county weather observer.

The mercury started to rise gradually Sunday, but was close to zero either slightly above or below, all day, and during the night registered as high as eleven degrees above zero.

The temperature has been on the upgrade all day today. Moderation in the cold wave was apparent when stiff motors began to function again and frozen water pipes didn't resist blowtorches quite so persistently as they did all day Sunday.

Rushville plumbers have been working night and day since the cold snap came in, and have been unable to meet the demands made upon them. Young folks took advantage of the snow and ice for coasting and skating.

Upward Trend to Continue

Indianapolis, Ind., Jan. 7.—The upward trend in the temperature after the first real cold wave of the winter will continue tonight, according to the weather bureau forecast.

The forecast was for fair weather tonight and probably Tuesday, with a minimum temperature tonight of not less than 20 degrees above zero.

The zero weather departed Saturday morning at 9:30 o'clock. At 9 a. m. the official temperature was 3 below and at 10 o'clock it was 1 above. The temperature climbed gradually throughout the day.

More Than Score of Deaths

Chicago, Jan. 7.—Fair weather with warmer temperatures came to the midwest today as the cold wave blew over to the east and south.

More than a score of deaths were recorded in the central states as a direct result of the frigid blasts over the week end. The deaths toll stood at 17 in Chicago alone.

Hundreds of fires—most of them caused by overheated stoves and furnaces—brought property damage estimated at \$2,000,000.

MRS. VERA S. BALES IS DEAD AT RALEIGH

Wife of J. P. Bales Expires Sunday
at Age of 76 Years Following Pro-
longed Illness

MARRIED FOR 48 YEARS

Mrs. Vera Samantha Bales, wife of J. P. Bales of Raleigh, died Sunday morning at four o'clock, at the age of 76 years, following a long illness of a complication of diseases.

Mr. and Mrs. Bales had been married for forty-eight years, and to the union five children were born, one son, Floyd, youngest child, dying at the age of five years.

Those who survive are C. B. Bales of Newcastle; Mrs. W. H. Johnson of Kalamazoo, Mich.; Mrs. A. S. Saxson of Palmyra, and Mrs. E. T. Miller of Raleigh. Mrs. Bales had been an active member of the Christian church for fifty years.

The funeral services will be conducted Wednesday afternoon at the Christian church in Raleigh, the funeral cortege leaving the late home at one o'clock. Burial will take place in the Raleigh cemetery.

KNOCKED DOWN BY AN AUTO

Will Ray of Milroy Injured in Accident in Indianapolis

Will Ray, son of Mrs. Lou Ray of Milroy, was injured Sunday morning in Indianapolis at Oriental and Washington Streets, when he was struck by an automobile driven by Kenneth Griffith of that city. Ray had alighted from a street car, and failed to see the approaching automobile, and was struck and knocked down.

The injured man was taken to the City hospital in Indianapolis where his injuries were dressed. He was not able today to be removed home, as he suffered injuries to his back and chest. The injuries are not believed to be of a serious nature. The driver of the automobile was arrested, and is being held pending the outcome of the Milroy man's injuries.

RULING IN THE BRANCH CASE

Judge Sparks Overrules Motion to
Quash Publication Defining Bound-
ary Lines

The injunction suit against the City of Rushville filed by Capitola G. Dill, to prevent the city from paving Morgan street, was heard this morning in the circuit court by Judge Sparks and continued until in the morning for further evidence.

Judge Sparks also today ruled on the motion to quash the publication defining the boundary lines relating to the Hodges Branch improvement, and in this case, the city won their first step in the procedure, when the court overruled the motion to quash.

The motion to quash the publication was filed by Mary E. Perry et al. The attorneys for the restoration announced this morning that their next step to halt the proposed action to enclose the branch with a concrete sewer, would be to file a plea in abatement, and this is expected to be filed within a few days.

In the injunction suit heard this morning against the proposed paving of Morgan street, several witnesses were heard. The city, before finishing the evidence, desired further time, and the court will hear the rest of the case in the morning.

The council has voted to pave the street, and received bids on the construction work. The injunction suit was filed to prevent the paving, and to keep the city from entering into a contract.

The paving, however, was given to a Hamilton, O., firm, in a verbal form, and the subject to the decision of the court in the matter. The street, if paved, will be constructed of asphalt, and the contract price was \$35,700.

The case of the American Security Company against James Ayles, a replevin suit, has been dismissed in court.

PURDUE WILL ENTERTAIN

Executives of Public Utilities to be
Guest Jan. 15-16

Lafayette, Ind., Jan. 7.—Purdue university's College of Engineering plans to enroll some new students, in the persons of the executives of Indiana public utility companies, for a limited term on January 15 and 16.

The program for the annual meeting of the Indiana Public Utility association, it was announced today, includes a course of sprouts for the business men. Purdue professors will give a series of lectures on the latest scientific developments in several fields of utility endeavor.

The program arranged by the Purdue engineering faculty will supplement the regular program of the Public Utility association, which will include talks by President E. C. Elliott, of Purdue, and Dean A. A. Potter, of the Engineering college. Sessions will be held the afternoon and evening of Jan. 15 and the forenoon of Jan. 16.

AUTOMOBILE CATCHES FIRE

Over-Heated Furnace Sets Fire To
One Home And Flue Burning Out
Causes Call to Another

The cold weather of Saturday and Sunday kept the fire department busy over the week end when four alarms were answered, with little loss being reported at any of the fires.

The first run was made Saturday morning to the Clarence Gates home, 820 North Main, where a \$25 loss was incurred from damage started with a torch.

A Ford sedan caught fire when it back-fired Saturday afternoon about three o'clock in the business district, near the Farmers Trust company, and the machine was damaged about \$15. It belonged to a man by the name of Owens, living in South Pearl street. It required 25 gallons of chemical to put the blaze out.

The fireman answered a telephone call Sunday morning at ten o'clock to the residence of Warder Wyatt. Third and Perkins streets, where an over-heated furnace set fire to a rafter, and the loss was practically nothing.

The fourth call was answered Sunday night at 11:35 o'clock to box 42, Fifth and Harrison streets, to the residence of Link Guffin, on that corner. An overheated furnace caused the flue to burn out, and the flames leaped high into the air. Firemen watched the sparks and flames until the danger passed, and no loss resulted. The call last night averaged a run a day for this year.

SUBSTITUTES AT WEBB

M. D. Patterson of Richland township is acting as substitute teacher at the Webb high school, in place of Miss Helen Frazee, who was injured last week in an automobile accident, according to B. D. Farthing county school superintendent.

Fort Wayne—Humiliated by detectives who falsely accused them with receiving stolen wearing apparel from an express shipment, the three daughters of Joseph Long have received checks for \$1,000 each as settlement from the American Railway Express company.

Watson Not Candidate

Washington, Jan. 7.—Senator Watson of Indiana was expected to announce today that he would not be a candidate for the Republican nomination for president. Watson was scheduled to see President Coolidge at 3 p. m. and his announcement was expected to follow.

BOY RIDING A SLED BEHIND CAR IS HURT

Emsley Gilson, 12, Son of Mrs. Anna
Gilson, Run Over By Automobile
But Not Seriously Injured

AUTO DRIVER NOT BLAMED

Emsley Gilson, age 12, son of Mrs. Anna Gilson, 221 1/2 North Morgan Street, was painfully injured but not seriously, about 12:30 this afternoon, when he was run over by an automobile said to have been driven by Earle Poer of this county.

The accident happened at Fourth and Main streets. The boy was hitched on behind the machine with his sled, and the driver did not know he was riding in that manner, and when he backed the machine, the rear wheel passed over the boy's chest.

The lad was picked up, and taken to the Dr. Sexton hospital, where his injuries were attended to, and an examination revealed that there were no bones broken, and as the boy was not suffering from internal pains, it was believed that he was not badly hurt. His face was badly bruised, and his hands cut. He was later removed to his home, and was up and around this afternoon.

The police did not investigate the accident.

G. A. R. TO MEET LATER

The meeting of the G. A. R., which was scheduled for Saturday afternoon, was not held on account of the extreme cold weather and on account of the court house not being heated. A special meeting will probably be called, as election of officers was scheduled for the first meeting of this year.

TO ATTEND BOARD MEETING

Dr. J. B. Kinsinger of this city, a member of the Indiana Board of Medical Examiners and Registration, will be in Indianapolis Tuesday, attending an important meeting of the board, and during which time several applicants for medical licenses will be taken up.

CALLED OFF TO AVOID CONFLICT

Tuesday Night's Week of Prayer
Service to Make Way For Parent-
Teachers Meeting

STATE SCHOOL HEAD TO SPEAK

Benjamin J. Burris to Discuss "The
Modern School and Its Require-
ments" at Graham School

The Week of Prayer service scheduled for the first Baptist church Tuesday evening has been called off, so as not to conflict with the meeting of the Rushville Parent-Teachers association, which will be held Tuesday evening at 7:30 o'clock in the assembly room of the Graham high school building.

The decision was reached by the Rushville Ministerial association, under the auspices of which the Week of Prayer is conducted, on the theory that the parent-teachers association represented a laudable movement and should be supported by the churches. Announcements to this effect were made in all of the churches Sunday.

The meeting will be held in the assembly room of the high school building, instead of the Graham Annex auditorium, as previously planned, on account of the possibility that the auditorium could not be heated if the weather happened to be very cold. Furthermore, the high school basketball team practices in the gym, immediately below the auditorium, which would interfere with the meeting.

The following program for the meeting of the association, at which the principal address will be given by Benjamin J. Burris of Indianapolis, state superintendent of public instruction, was announced today. Remarks by the chairman, Judge Will M. Sparks.

Prayer, the Rev. H. W. Hargrett. Vocal solo, Mrs. Bertha Green. Secretary's report, Earl Chamberlain New Business.

Address, "The Modern School and Its Requirements," Benjamin J. Burris.

Question Box: Announcement concerning the next meeting.

The choir of the St. Paul's M. E. church will hold a rehearsal at the church Thursday evening, following the special union service in connection with the Week of Prayer, which is being observed in all the churches of the city.

INSTITUTE SET FOR JAN. 19

Session Called Off Saturday Will be
Held in Two Weeks

The teacher's institute, which was postponed Saturday on account of the breakdown in the heating plant at the court house, has been scheduled again for January 19, according to B. D. Farthing, county school superintendent. The program and course of instruction that were to have been given Saturday, will be held at that time.

The county board of education, composed of the township trustees were holding a meeting this afternoon in the office of the school superintendent, and several matters of importance were to come before them.

MANILLA TELEPHONE OPERATOR SUCSUMBS

Charles Moore, Age 58, Dies Sudden-
ly Sunday Following Three Hours
Illness With Heart Disease

CRIPPLE SINCE 2 YEARS OLD

Charles Moore, telephone operator at Manilla for three years, expired suddenly Sunday morning at three o'clock, following a three hour sickness of heart trouble.

The deceased was 58 years, one month and 27 days old, and had been a cripple since he was two years old, having been a victim of the spotted fever at that time. He was married March 20, 1892 to Miss Ella Snider, and to this union, three children were born, Mrs. Mable Loser of Shelby county; Leonidas O. Moore at home, and Russell Moore deceased. Other survivors include five grandchildren, two brothers Joseph V. Moore of Carthage and Forest Moore of Shelby county; two half-brothers, R. T. Moore of Carthage and Chaney Moore of Shelby county; one half-sister, Mrs. Grace Henderson of Shelby county. Mr. Moore had been a member of the Little Blue River Christian church for many years.

Short funeral services will be conducted at the late residence in Manilla Tuesday morning at 9:15 o'clock and funeral services will be held at the Little Blue River church at 10:30 o'clock by the Rev. J. L. Brown. Burial will take place at the Blue River Chapel cemetery.

CHANGE IN PLAN FOR ATTENDANCE OFFICERS

Examinations Will Be Held Last
Saturdays in January And March,
Farthing Notified

HAS NO EFFECT LOCALLY

Miss Blanche Merry, state attendance officer, has forwarded notice to county school heads throughout the state, calling attention to a change in the plan for attendance officers. The notice reads as follows:

After December 1, 1923, examinations for attendance officers' licenses will be held in the forenoon of the last Saturdays of January and March, by the county superintendents at their respective offices, or question prepared by the Division of Teachers' Licenses. All examination papers will be sealed and forwarded to the division of Teachers' Licenses.

The change, however, will not effect this county as Miss Dorothy Sparks, who is holding the position on an exempted certificate, is not required to take the examination but if any change is made in the office, it will require the test as provided in the ruling.

BUS KILLS A HOG

A White Top motor bus ran into a drove of hogs near Arlington this morning and killed one of them and injured another one so that it could not be sent to market. The hogs were from the Gowdy farms and were being driven by George Gerrin a tenant, to Arlington to be shipped to Indianapolis.

NEW YEAR OFFERS SERMON THEMES

The Rev. Gibson Wilson of The First
Presbyterian Church Speaks on
"1924 Investments"

SERMON BY H. W. HARGETT

No Preaching Services at Main
Street Christian Church Due to
Illness of The Pastor

The new year offered a theme for Rushville ministers Sunday, the Rev. Gibson Wilson of the First Presbyterian church preaching on "1924 Investments" and the Rev. H. W. Hargett of St. Paul's Methodist Episcopal church on "The Conquerors of Time." The Rev. E. G. McKibben of the First United Presbyterian church spoke on "The Devil's Diplomacy."

No preaching services were held at the Main Street Christian church Sunday morning on account of the illness of the pastor, the Rev. L. E. Brown, and for the same reason the special sermon by the Rev. Mr. Brown, scheduled for the Princess theatre Sunday evening, was called off. At that time Mr. Brown had planned to pass a questionnaire among the people in the audience to get an expression of their opinion regarding the church and ministers.

"1924 INVESTMENTS"

"1924 Investments" was the subject of the sermon at the First Presbyterian church Sunday morning. This study was based on Luke 12:19. "Unto whom much is given, much shall be required." The Rev. Gibson Wilson, the pastor, spoke in part as follows:

Service is a large part of religion. Christianity that does not function in helpfulness to others is barren and unfruitful. The religious term for that service is stewardship. It is broader and more comprehensive than the term title.

We are asking ourselves this morning, What ought a saved man to do? Jesus gave us the example. He went about doing good. He said: "Herein is my Father glorified that ye bear much fruit."

A saved man must be a good steward of his abilities. If he has a discerning judgment he must use it in serving God to secure justice. If he is eloquent at Aaron he must be God's spokesman. If he is an organizer as Moses, he must use his ability to extend the kingdom.

A saved man must use his stewardship in the church. No one must lightly refuse to perform the duties which the church after prayer an inquiry has chosen him. Your obligation is to God. You should know the best methods of church finance. You are a part of a great organization. Every one should be a stockholder in this business of extending Christ's kingdom to all parts of the earth. Every member should bring to the Lord's treasury every Sabbath, that portion which is his.

Jesus makes an attack on selfishness, in this text. That which we receive in money, in ability, in character, in lands is given that we might be more helpful to others. When self becomes monopolistic, it becomes poisonous to itself. The tree in the forest that seeks more than its share of the soil and sun becomes injurious to the other trees. Your rights end where your brothers begin.

The Dead Sea cries continually to the brooks and rivers and snow clad mountains, give, give, give. But the Dead Sea has no outlet. Receiving much, it gives little and becomes offensive and putrid to eye and nostril alike.

So today the person who treasures up and gives not becomes offensive. The quality of selfishness produces chaos in self, state and church.

The spirit of stewardship is fair dealing with God. In the Old Economy, God required one seventh of a man's time and one tenth of his income. His claim was based on the fact that he was Creator and Redeemer. Is God unjust in his demands. He has given us everything about us, lands, air, sunshine, life etc., and without any investment on our part he takes us into partnership in the business.

Some one says I can not invest anything in the kingdom enterprise this year for God because I am build-

ing. Suppose you were to say to your groceryman, I can not pay my bills this year because I am building. The idea is absurd.

Faithful stewardship means genuine and enthusiastic allegiance to the greatest of all causes. You are to render a faithful stewardship to God of all your time, talents, money and strength.

Be God's man for 1924. "Lay not up treasures here on earth but in Heaven. Be rich toward God. Make 1924 your biggest and best year in kingdom service." "Unto whom much is given, much shall be required." The sacrament of the Lord's Supper followed the sermon.

Consuet of Time

"The Conquerors of Time," was the subject of the sermon of the Rev. H. W. Harrett, which was delivered at the St. Paul's M. E. church Sunday morning. The text was "So teach us to number our days that we may apply our hearts and wisdom," Psalm 90:12. His sermon, in part, follows: Scene, a college class room. Time, The first recitation in the New Year. Persons, a wise professor and students, wise and otherwise. The professor speaks: "With pleasure I welcome you again to your tasks. Many have been wishing you a Happy New Year. I wish you a happy eternity." That man had learned the secret of the conquest of time. He knew that time is but a measured portion of that eternity in which we live now and shall live forever. The wisdom of which our text speaks will lead us to live for the things that time cannot mar nor death make valueless.

What is time? Einstein tells us there is no such thing as time. Grasp Continued on Page Three

BE RID OF THAT ACHE

If you are a sufferer with lame back, backache, stiffness, nervousness, and kidney disorders, why don't you try the remedy that your own neighbors recommend? Ask your neighbor?

Mrs. Joseph Doll, 521 W. 3rd St., Rushville, says: "I have used Doan's Pills off and on when I was troubled with kidney complaint and have found them a reliable remedy. At times my back was weak and lame and I had to remain in bed. It ached intensely through the small part and my kidneys were irregular in action. I used Doan's Pills and they have never failed to relieve me."

Mrs. Doll gave the above statement August 26, 1915 and on November 1, 1920, she added: "I still have the same high opinion of Doan's Pills. I use them occasionally as a kidney tonic always with satisfactory results."

A Bit Of Good Luck

By Allman

Phone 1420 Allen's 325-329 Main Street

YOU KNOW WHAT YOU WANT TO EAT, BUT—Do you know where to buy it to the best advantage? Selecting the best place to buy is often a difficult problem. There are so many different grades of food stuffs that it is not always safe to buy by price alone, a cheap article is most always poor quality, but many times we find that article for which a good price was paid is not up to the standard expected. It is the policy of our store to sell only foodstuffs of known value and purity.

WE INVITE YOUR PATRONAGE

We feel that we are doing our customers a favor when we call their attention to LOYALTY Flour, the best every purpose flour regardless of price that we have ever sold. Try a bag and if not satisfactory we are instructed by the millers to return your money, even if the bag is half used. We also have a lower grade of Kansas flour milled by makers of LOYALTY that is of the same quality as many other brands of Kansas flour sold in Rushville. Libby's Fancy Chinook Salmon at 30c for a full pound can is a bargain that should not be overlooked by folks who know what good salmon is.

NEW YEAR OFFERS SERMON THEMES

(Continued From Page Two)
at a moment, open your hand, you have nothing. It is invisible, intangible; intangible, inexpressible, yet the most intense of realities. With all your acids and alkalis you cannot analyze a moment of time. With scales that record the fraction of a hair or the weight of a sunbeam, you cannot test time. With instrument that analyze light and tell the substances blazing in far off stars, you are helpless before time. It is simply a measured section of eternity given us for moral and spiritual purposes.

We conquer time past by bringing its experiences vividly before us and comparing them with the present. Have the years been as thieves stealing from us the ideals of youth, or have they witnessed our growth in the deathless things of character. We conquer time present by method, by wise selection of things worth while and by concentration upon things that are pleasing to God.

We conquer time future by hope, "He that hath this hope in Him purifyeth himself even as he is pure." If eternal life is a reality to us, we shall put the quality of that life into all the tasks of daily life and thus become conquerors of time.

"Forenoon, and afternoon, and night!"

—forenoon.

And afternoon, and night!—Forenoon, and—what?

The empty song repeats itself. No more?

Yea, for that is life, make this forenoon sublime,

This afternoon, a psalm, this night a prayer.

And Time is conquered and the crown is won."

Whether your hens lay 50 eggs or 200 eggs per year, Purina Chows will make them lay more. The perfect balance of ingredients in Purina Chows makes the difference. And the extra eggs not only pay the difference in the feed cost but also give you a fine extra profit.

More Eggs or Money Back

Purina Hen Chow and Chicken Chowder will be delivered to you on the following basis:

If hens fail to lay more eggs when fed these Chows as directed, than when fed any other ration, the money paid for both the Chows will be refunded.

Make every day count for your poultry profits. Get more eggs when egg prices are up.

used to head off candidates for pres-
ident who are leading the field, will
be used in the forthcoming campaign
according to present indications.Some times it works for good and
sometimes for harm, according to the
viewpoint of the partisan who may
favor the candidate who is out in
front.It begins to look like opponents
of William G. McAdoo, former secre-
tary of the treasury and director-
general of the railroads during the
war, are conspiring to check the ear-
ly advances he is making towards
the nomination. No less than nine
different men are being mentioned as
favorite-son candidates who could
control enough votes, which, together
with the votes Senator Underwood
rightfully claims, would be enough to
prevent McAdoo from obtaining the
necessary two-thirds to win the nomi-
nation.There is some talk of favorite sons
within the republican ranks, to head
off Senator Johnson of California,
who is preparing to make an aggres-
sive campaign in all primary states.Senator Watson of Indiana and
Former Governor Lowden of Illinois
are regarded as probable candidates,
but they have withheld announce-
ment of their plans for the present.President Coolidge seems to have
the inside track for the Republican
nomination and McAdoo is leading in

republicans, the favorite-son move-

ed at the leader, as at one who may
interfere with the plans of the lead-

it will be watched with interest to see
whether favorite sons are as much
favorites as they once were.Still, a favorite son won the (re-
publican nomination in 1920 and
there is always a possibility that one
may do it in either party.**Hays' "Shooting Stars"**Someone remarked, after reading
that Will Hays had "jumped" out to
Hollywood following the shooting of
Courtland F. Dines, which involved
Mabel Normand and Edna Purviance
that the movie director had to look
after his "shooting stars."This is a new brand. And it may be
an unjust appellation. The evidence
does not show that either of the wo-
men movie actors used a pistol. There
is only a suggestion of something not
in keeping with the proprieties.Hysterical and prudish people all
over the land are demanding that pic-
tures showing Miss Normand and
Miss Purviance be placed under a
ban immediately.To take such a position is rather
harsh treatment of the girls. We can't
expect too much of our best known
stars. We have to make a little al-
lowance for environment and sudden
affluence, which may undermine any
girl's sense of proportions.On the other hand, movie actors
and actresses must learn that the
standards set for them are high and
that their conduct when they are not
in front of the camera must be exem-
plary.They should have learned a lesson
from Roscoe Arbuckle's experience.
Although never convicted in any
court, Arbuckle found that public
opinion was stronger than any court
of justice and that when it made
up its mind, there was no changing
it.**The Hodge-Podge**

AMUSEMENTS**Lytell Most Popular**Bert Lytell, star of "The Meanest
Man in the World," which opens at
the Princess Theatre today was for
years one of the most popular lead-
ing men in the footlight profession.
Lytell has appeared on the stage in
practically every large city of the
United States and it was only the
insistent demands from the movie
producers and their assurance that he
would be able to entertain countless
thousands via the silent drama, that
he listed to its lure. During the past
few years, Lytell has enacted leading
roles in many of our biggest pro-
ductions. His work in "The Meanest

COLUMBUS NOT WORN DOWN

Rushville Leads Off at Just a Clip
That Bull Dogs Were Dazed—
Were Ahead Only Once

Playing a brand of ball that would win any bull game, the Rushville high school team again showed that it will be a real contender, when they outplayed and outclassed the Columbus high school team here Saturday night defeating them by a ten point margin 33 to 23.

Only once in the entire game did Columbus show a real flash, and that was soon after the start of the second half, when they tied the score, and assumed a 4 point lead for a few minutes, but the Lions kept up their fight, and again went in front, not to be headed.

Although Columbus had played Shelbyville the night before in a hard game, and lost by one point, they did not appear to be any the worse for the fight, but were unable to make their line plunges as expected, and when Rushville piled up an 8 point lead in the start, it set the pace for speed that never before was equalled on the local floor.

The Rushville players emerged from the game with Knightstown on the night before in good shape, although it was no easy snap to take that game, as the Knightstown team had put up an unexpected hard game. The double victory of the week end, shows that Rushville has a great deal of endurance, for two hard scraps in a row.

To point out any individual star on the local team would be impossible. All seven players that participated, played like they should, and aside from missing 10 foul shots, there would be little room for improvement.

On the other hand, Columbus played a whirlwind game with Hall, center, and Harrington, floor guard, working together like clock-work, until they would attempt to toss the ball around their goal to Carter or Mobley, forwards, and then they found that the Lions had greatly improved on the defensive element, since the first game between these teams early in November.

The Bull Dogs started a rally in the first half toward the end, but it fell short, and the locals were leading 13 to 9, at the half way mark.

On the very first toss-up of the ball it was clearly seen that the game would be a fast one, and although the Lions had three shots at the basket first, none went in. Hall for Columbus dropped one in from the side, but the player was out of bounds and the goal didn't count. Each team fought hard for several minutes in an effort to score, and soon Walker and Hill tangled in a double foul, and each player tossed in a goal.

Snoddy dribbled down the side line and shot in a field goal for the Lions, and when he attempted to repeat, Goods blocked him, and the Rushville player counted on both of his chances, making the score 5 to 1. Snoddy fouled next, but Harrington missed the chance for the Bull Dogs.

The locals were working the ball around their territory with apparent ease, but were missing many shots. Walker grabbed the ball from under the basket for another ringer, making the count 7 to 1. Columbus called time. McNamara, who was

Tuesday Night

2 GAMES FOR CURTAIN RAISER

The Fairview Athletic club is getting ready for a big contest Tuesday night at Fairview, when they tackle the Shelbyville Elks. The visiting team has defeated every team in this section this year, and the Rush county aggregation will put up a strong attempt to win from them.

Three years ago, when the independent district tourney was held in Rushville, the Elks and Fairview met, and the Shelbyville team won out, 23 to 18. This year the Elks have not been defeated. On the other hand, Fairview has been going good, playing 13, and losing 3. They have scored 601 points to their opponents 370.

Two preliminary games are on the schedule tomorrow night, with the Fairview girls playing the Homer girls, and the Fairview Juniors will play the Bentonville Independents.

Thursday night Fairview will go over and play the Arlington team. Two former Fairview players, Royalty and Scales, have again joined them. The line-up will include Essey, (capt), Peters, Scales, Royalty, Darnell, Reynolds, Cook, Parker, Patton and Kendall.

KNIGHTSTOWN, WINS

High School Five Defeats Night-
gales Saturday Night in Close
Contest at Carthage

Carthage high school defeated Knightstown for a 7 point victory Saturday night at Carthage, by the score of 36 to 29, in a contest that was featured by close playing on each side, until the last few minutes, when Carthage forged in front.

Knightstown, who had played a hard game here Friday night, did not seem any the worse for the scrap. The first half was rather slow on each side, and the visiting team was ahead 16 to 15 at the half. The last half was fast. Hahn, backguard for Carthage, tossed in a goal from back right center, and this goal added to the speed of the Carthage team, and they managed to plow through in the last few minutes, and started the rally.

Carthage and Milroy, keen rivals, will meet this week at Carthage, and the game was originally scheduled for Wednesday, but will be played Friday night. At that time, Carthage will meet stiff opposition, as Milroy has a stronger line-up now.

NEW SALEM GIRLS WIN

The New Salem girls won a three point victory from the Rushville girls in the curtain raiser played Saturday night, when the score ended 27 to 24. New Salem came back in the second half determined to win, after they were behind 16 to 11. It was the first game played under new rules, with six players on a side.

Moore and Elder were the main point getters for Rushville, while Trager and Emsweller figured best in the scoring for New Salem. The score by quarters:

New Salem 5-6-14-12-27
Rushville 4-12-2-6-24

The line-up and summary:

New Salem 27 Rushville 24
Trager -----F----- Burns
Emsweller -----F----- Moore
D. Miller -----F----- Mattox
A. King -----G----- Hunt
D. King -----G----- Sumpter
Scott -----G----- M. Ralston

Substitutions, Elder for Mattox, McMakin for Ralston. Field goals, Trager 5, Emsweller 5, Burns, Moore 7, Elder 4; foul goals, Trager. Referee, Miss Hart, Connersville.

Bull Dog meat is fine eatin'.

Hittin' 'em couldn't have played a better game himself, if he had been one of those Lions.

No game is impossible, if the Lions go into it with the idea to fight all of the way—that was shown Saturday night. Let's repeat it all season, what do you say gang?

RUSSELL WALKER

Sure played a whirlwind game. The kind that puts snap into the team.

The Lionesses showed a weakness in the last half of their game with New Salem, and those two tossers, Trager and Emsweller just couldn't miss 'em.

FRANK COMELLA

Sure set 'em back, and he played one of his best games. Better and better every game, ole top.

Elwood and Marion both trounced the Trojans of Newcastle in week-end games. Even with defeats, Newcastle still fights.

ARTHUR SNODDY

He always makes 'em take notice. His speed is 60 miles per hour on every floor.

If ten below zero makes the Lions fight any better—then we are for zero weather until March 14 and 15.

FOSTER HILLIGOSS

He is sure a go-getter. He always plays a good game, and fast as lightning.

The way Muncie tripped Richmond was something like the way the Rushville second team defeated the Richmond second team here Friday night.

EARL McNAMARA

McNamara fights all the time. Very few mix-ups, but what he is seen taking a part. That's just another trait of a Lion.

Where ever Broad Ripple is, they must have a good team, or at least Connersville thinks so. The "baby team", or the latest addition of Indianapolis, sent the Ikkniks home Friday night losers by two points 29-27.

ROBERT NEWBOLD

This boy is a goal snatcher. Not only that, but he plays a fast game, and is dependable at all times.

Glass banking boards are great stuff. No hoo-doo about them. That's two in a row with 'em.

HENRY WARTH

He is sure a pinch hitter. While not usually a starter, he generally finishes the game, and finishes it fast.

The Hot Doggies of Frankfort are starting on one of those long records without a loss. An even dozen so far, and Coach Case sees a few more in sight.

COACH JOHN SWAIN

The coach played probably the hardest game of anyone. A successful team owes much to the coach. This debt is paid in victories.

SIMPLE LITTLE TRICK, WE'D SAY

Ernest A. Blood, famous coach of that Passire, N. J., team tells how a real team is developed. Three important points are first to get the ball, second to keep it, and third is to put it in the basket.

Referee Bills and Umpire Best played a good game. They were all over the floor, and kept busy from start to finish.

HITTIN' 'EM
—AND—
MISSIN' 'EM

And Hittin' 'em played basketball all night.

The Ikkniks were over Saturday night, getting a few pointers, and to see how easy it will be to digest the Graham Crackers???

The Lions have tasted of the wooden horse at Newcastle, and of canine meat, and they are wondering now, just what kind of a taste an Ikknik will have.

HUMAN WRECKAGE?

Connersville dopesters predicted a ten point win over Broad Ripple last Friday night. Dope is easily upset, and sometimes extremely injurious, especially if taken too often.

Anderson plays at Connersville Saturday night—not last Saturday, as gleamed through some of our exchanges.

Before The Battle, Mother

Hardwood Hamper of the Columbus Republican in Friday's issue, commented as follows:

Hittin' 'em, our friendly enemy in Rushville, is certainly wishing us well. Throughout his column yesterday, instead of the heavy rule which usually separates parts of his dope, he runs the continuous battle cry, "Beat Columbus". By the time one gets through reading his column, with exactly nineteen of those scb'te jokes in it, one begins to get a bit dizzy and wonder whether, after all, it will be safe to journey over there tomorrow night.

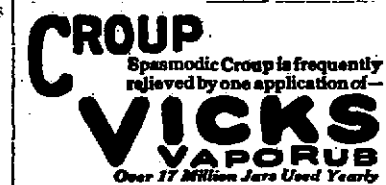

Hittin' 'em really intended to put 33 of those lines in the paper, designating the score, but he wanted to keep the final score a secret until after the game.

Hall, Columbus center, had his basket eye, and eaged 5 goals, and a foul, making almost half of his teammates points. Columbus is a fast aggregation, and is just the kind of a team to meet, if you want to see a lively scrap. We know how Shelbyville felt Friday night.

Columbus and Rushville have been active rivals in basketball for several years. Two years ago, Columbus beat Rushville here, and then Rushville beat them on their own floor, met them at the regional and defeated them again. Last year Columbus won both games. This year they spit even.

Liberty comes next. Let's knock 'em cold.

English Boxing Falls Short

By HENRY L. FARRELL
(United Press Sports Editor)

New York, Jan. 7.—New York, yelping about bad decisions, poor fights, uneven matches, faulty rules and various other ills of the boxing business, hears it frequently suggested:

"Why not do as the English do?" Because no yelps are heard on the radio from the other side, it is erroneously believed that in England, where the sport is pictured as being perfectly supervised and conducted, boxing is a well-behaved and well-acting old man.

From the following letter, appearing in a recent issue of "Sporting Life" (London) it may be gathered that while the difficulties there may be minor, they are taken very seriously:

"The Editor:
"Sir: I quite agree that the referee's proper place is outside the ropes, but obviously there is great temptation to get inside.

"The M. C.'s request that there should be 'silence during the rounds' has become a dead letter in all the bigger halls, such as Olympia, Albert and Holland Park. Even that great referee Jack Angle is neither a megaphone nor a fog-horn, and I fail to see how he could make himself heard in the ring when the bulk of the spectators lose their heads and yell in mad excitement.

"Should a conscientious referee retire to act if the onlookers refused

to behave themselves another would be found to take his place.

"It must be recollected that a large percentage of pugs are ornamented with cauliflower ears and have impaired hearing, so, unless silence reigns at the order 'Stop,' one combatant might drop his hands whilst the other carried on, with disastrous results to his opponent.

"A claim for a foul is, at times, a problem somewhat difficult to solve.

"As an illustration—a man stopped boxing and claimed a foul—A, as referee, was watching every move with the keenest scrutiny, and will credit the judges with being equally on the qui vive. None of us saw a foul, so, of course, the claim was not allowed, and the other man was proclaimed winner.

"Shortly afterwards this winner, in the most sportsmanlike and honorable manner, volunteered the statement: 'I am sorry to say that I did accidentally foul him with my knee.' "It might not have been a very serious blow and left no mark, but enough to put a man temporarily out of action.

"Believe my decision to have been erratic, I saved my conscience by making the loser a present, with which he was completely satisfied. Luckily it was only a minor event, and a challenge to a return match may have been issued.

"Claude Champion de Crespigny." American referees probably would not care to see the custom introduced in this country of giving prizes as "salve" to defeat boxers.

Would You Take in Washings?
"Certainly Not!"

Yet it would be no harder to do Mrs. Smith's washing than your own. And if Mrs. Smith paid you \$1.35, it would be the same as the \$1.35 you now save.

Mrs. Smith doesn't do your washing. Nor, for the same reason, does she do her own. "Too much work," she says, "when a good laundry will do a 15-pound wash Rough Dry, fluff the undergarments ready to wear and iron all the table and bed linen—just as well as I can, for only \$1.35."

Mrs. Smith and many others have used Rough Dry Service for many years. Why not follow her example?

A pretty card party was given by Miss Laurette Abercrombie Saturday afternoon at her home in North Perkins street, honoring her house guests Miss Agnes McNutt, of Crawfordsville, and Miss Martha McFadden of Shelbyville. Five tables of bridge were in session during the afternoon, and as the closing feature of the enjoyable afternoon a delicious luncheon was served.

The members of the Always Present Class of the Main Street Christian church will meet at the home of Mrs. Frances Howell, corner of Second and Julian streets, at 5:30 o'clock Tuesday evening. Those that can are requested to bring machines, but all are urged to come, as the members will be entertained at the home of Mrs. Louise Sample, living north of the city. At this time the losing side in the contest will entertain the winner.

NEW YEAR OFFERS SERMON THEMES

(Continued From Page Three)
"The Devil's Diplomacy"
The topic for the morning sermon at the First United Presbyterian church Sunday morning was "The Devil's Diplomacy." The text was found in Isaiah 36:16; "Make peace with me and come out to me, and I will take you away to a land like your own." These are the words of Rabshakeh to the Jews on the wall of Jerusalem during an impending siege by the Assyrian king, Sennacherib. His address was so liabohent, so cruel, so deception, that he may be regarded as the spokesman of his Satanic majesty.

Three thoughts were stressed. The

Devil's plan; the Devil's promises, and the Devil's provision. The pastor said in part: Satan seeks to discredit those who represent God as His ministers. He would have men believe that they are deceivers, men with selfish motives, men who trim their messages to suit the times and occasions rather than to correctly represent God. They are in the ministry for the money and everyone has his price. Satan seeks to discredit God, calling in question interest in humanity and reliability of His promises. He also the seriousness of His threatenings. He calls for an armistice and that men make peace with Him and come under His power.

Satan, like all deceivers, makes many promises and offers great inducements. He appeals to every appetite and passion and weakness of the human soul. He offers real ownership, true independence, full enjoyment and holds out glorious prospects. With consummate cunning, he

displays the rose, but conceals the thorn; he offers the sweetness and the beauty and the charm, but conceals the bitterness, and the deformity and the sting of Sin.

Satan offers much, but has nothing to give worth while. He owns nothing, controls nothing, except God's permission. He cannot give peace for he has none; nor order, for his abode is the place of disorder and discord; nor happiness, nor contentment. Those that serve him but have the least of these blessings. His only pleasure, if indeed it can be called pleasure, is in deception. Men and nations have been led astray by him. Russia seeks to banish God from her borders and is perishing in hunger and cold and nakedness. France is atheistic and is on her way to national ruin, as was Germany a decade ago. England is drunken and seems to have forgotten God. But some things Satan shares with his followers. He assigns to each his portion of shame, and

defeat, and remorse and the wrath of an offended God, and also the blackness of despair.

Satan is not a personal worker. Evil men and angels do his bidding. They are everywhere he can use them to tempt and deceive and destroy.

Our part is resistance to his blandishment. God has provided complete armor for defense and we have in our hand "The sword of the Spirit,"

which is the word of God." And the promise is "Resist the devil and he will flee from you."

In the evening a gospel sermon was preached from Luke 13:23, "Are There Few That are Saved?"

Second the Metron.
